Notes

• Total staff cost base of £2.86m equates to 15.6% of FY25 turnover, in line with sector benchmarks for asset-light industrial manufacturers.

• 60% of headcount is in production and cost-of-sales functions, supporting in-house manufacturing capability.

• Leadership team has significant tenure. The CEO has 15 years with the group and is identified as the succession candidate. No external management change is planned post-transaction.

• Two overhead functions were expanded during FY26 (People / HR and Marketing) as part of investment ahead of forecast growth.
