PROJECT FOLIO

Project Folio is an established commercial printing business specialising in high-quality, large format lithographic printing. With decades of experience in the sector, the Company has built a strong reputation for delivering premium print solutions with quick turnaround times, catering to a diverse range of clients.

The business operates 24 hours a day, 5 days a week from its main factory facility. The Company benefits from a stable, experienced workforce and provides end-to-end services including pre-press, large format litho printing, in-house finishing, storage and distribution.

Folio has a broad client base of over 100 active customers spanning various industries across the UK and Europe, including other printing companies. Its ability to handle both low and high-volume runs has led to strong customer loyalty and consistent repeat business.

£'000s	2023 (ACTUAL)	2024 (ACTUAL)	2025 (ACTUAL)	2026 (5ms) (MANAGMENT)
Turnover	3,273	3,800	3,429	1,343
Gross Profit	1,116	1,475	1,430	573
Adjusted EBITDA	124	485	563	211
Revised Net Assets	2,003	2,450	2,574	2,659

THE PURCHASER WOULD BENEFIT FROM:

- An experienced, stable and loyal workforce.
- Long-standing relationships with a high-quality growing customer base with strong retention rates.
- Strong environmental credentials.

COMPANY PERFORMANCE:

- The Company has consistently achieved annual turnover in excess of £3m over the past five years.
- A revised net asset position of c.£2.66m based on current market valuations.
- The company is cash generative with a healthy balance sheet.

SUITABLE PURCHASERS MAY INCLUDE THE FOLLOWING:

- The business would be attractive to other printing companies operating in the UK or overseas.
- Other businesses operating within complementary sectors seeking to acquire Folio as a strategic addition thereby broadening the services that they offer.
- Private Equity firms with investments in printing services.
